Annual Report 2018-19

Introduction from the Mayor

The future prosperity of Ludlow remains a very real concern of the Town Council. At a time when high streets across the country are under pressure, the resilience of our town centre economy which, in past years has bucked the trend of gradual decline and remained vibrant, is being sorely tested due to the ridiculous hike in on street parking and the virtual abolition of pop and shop by Shropshire Council. Their policy and actions fly in the face of Central Government urging to reduce the cost of parking in the high street to help stop the decline.

Ludlow Town Council has sent a questionnaire to all Town Centre Shops to get hard evidence on the impact of the charges on their businesses and their customers for the reviews by Shropshire Council to be held in June and November.

As well as providing a range of local services, the Town Council has undertaken a number of one-off projects. In 2018 / 19, the Guildhall roof was refurbished by Treasure & Sons, and this work facilitated some significant improvements for staff, who were able to move back into the large admin office, and the process also created desk space for the Deputy Clerk to take up her post in June 2018.

In 2019 / 20, other projects are progressing well. J Harper & Sons Ltd have been appointed to undertake the much needed refurbishment of the Linney Riverside Park toilets. The Town Council will fund the erection of a bus shelter in Corve Street, and make much needed changes to the Guild Hall Chamber to improve public access to meetings and install a hearing loop. There is more detailed information regarding a number of current project the next page.

My Charity for 2018-19 has been Ludlow Young Health, an initiative set up with Beam and Children’s Society to promote the emotional wellbeing of children and young people under the age of 25, their parents and carers by providing drop-in sessions.

I have been delighted by the support received from the local community, and businesses for the Charity events including a Charity Market, the ever popular Motown/Dance Evenings, a Thai Curry Night, and Quiz Night. I will announce the amount raised at Mayor Making in May.

I would like to thank the Town Clerk and her staff team for their hard work, and my fellow Councillors for their support and hard work during the year, and thanks also to Ludlow’s Unitary Councillors for their work to support Ludlow. Personal thanks goes to the Mayoress, Mary Gill who has supported me in my role as Mayor during my second term under difficult and unforeseen circumstances.

  Shropshire council have given approval to an agreed location. The shelter has been ordered, and the company who are going to install will arrange the necessary permits with Shropshire Council.

- **Refurbish The Linney Riverside Park Toilets**

Ludlow Town Council has a number of existing projects. The latest updates are as follows:

- **Town Walls at St Laurence’s Churchyard**

Discussions are currently taking place with the structural engineer regarding phase two of the project.

- **Updating the CCTV camera system in town**
  Funding for the project has been secured from a number of sources including LTC funds, local community orgs and businesses, and a grant for half the cost from the Police Crime Commissioner. The location and permissions for the Wi-Fi relays in the town centre are being agreed. As soon as the final logistic issues are resolved, the works will commence.

- **Progressing the Restricted Parking Zone with Shropshire Council**
  The Town Council has consulted local business and residents and reported results to
Shropshire Council in November 2018, and there have been two follow up communications to try to progress the matter in 2019.

- **Parking Survey**
  The parking survey has yielded in excess of 60 replies from businesses and in excess of 300 customer surveys. The information provided is currently being collated.

- **Community Led Plan (CLP)**
  The steering group have identified nine sections and are working with the community to develop priorities for: Children and Young People and Families, Older and Vulnerable People, Improved Wellbeing, Crime and Safety, Environment and Green Spaces, Transport Parking and Road Safety, Tourism, Employment and Economic Development, and Retail and Market.

KEY EVENTS 2018-2019

The Guildhall is the home of Ludlow Town Council meetings and staff offices. In March – July 2018, Treasure & Sons undertook essential repairs to the roof lead lined roof gullies and two lime plaster ceilings, and the fenestration. Town council staff moved back into the large admin office, which meant that staff sharing the town clerk’s office and those of the finance and market staff were able to move into their own space, and the process also created desk space for the Deputy Clerk to take up her post in June 2018.

Annual Meeting 9th May 2018 - At the Annual Meeting on the 9th May 2017 Councillor T Gill was elected as Mayor (second term) and Councillor C Sheward (third term) was elected as Deputy Mayor.

Mayor Making 23rd May 2018

Mayor Making marked the commencement of the ceremonial year by welcoming the elected Mayor, Councillor T Gill as the Mayor in 2018-19 (second term).

Five Civic Awards were presented in recognition of excellence in the voluntary sector and services to the community to: Terence Round, Peter Corfield, Helen Hughes, Denise Thompson and Working Together.

Mayor’s Charity – the Mayor’s Charity for 2018/19. The Mayor chose to support young people in Ludlow, with a new project being organised by the Ludlow Area Youth Partnership – ‘Ludlow Young Health’. Fundraising this year has included a Charity Market, Northern Soul & Motown/Dance Evening and Thai Curry Night and a Charity Quiz.

Mayor’s Sunday Service 24th June 2018

At Mayors Sunday, the Mayor and Councillors pledge allegiance to serve the town. The service was led by the Rev. Kelvin Price at St Laurence Church. A parade of uniformed organisations led by the Parade Marshall, David Davies and Ludlow Concert Band drew crowds on High Street where the Mayor thanked the Parade.
Ludlow in Bloom – GOLD in 2018

Ludlow in Bloom achieved Gold again for 2018. The perennial planting scheme introduced some years ago is now well established in St John’s Gardens.

The Ludlow in Bloom Committee receives support from the Admin and Direct Labour Force staff of the Town Council and also financial support. It’s a partnership that includes Shropshire Council and keeps Ludlow looking loved.

The May Fair

The May Bank Holiday heralds the arrival of the Mayfair, which is managed by Shropshire Council’s Safety Advisory Group, the Town Council and the Fun Fair Organiser. The market stalls are dismantled by the Direct Labour Force in preparation and re-erected afterwards. Each year a morning service is held at the dodgems.

Remembrance Sunday & Commemoration of the end of WW1

Remembrance Sunday & Commemoration of the end of WW1 happened on Sunday 11th November. Wreath laying at the War Memorial was followed by a service at St Laurence Church.

300 Civic and Uniformed guests were invited by Ludlow Town Council, as usual, and residents and members of the congregation were welcomed to the wreath laying and service.
Christmas Lights Switch On - Saturday 24th November  
Ludlow’s Christmas Lights Switch-on took place during the weekend of the Medieval Fair in Ludlow Castle supported by a Town Council Medieval themed market in the square.

Santa’s grotto was constructed by his elves at 9.30am on the day and was then decorated. Early afternoon the elves arrived with Santa and his sleigh, accompanied by Imogen Kay, this year’s Christmas picture competition winner. Music was provided by Sunshine Radio. Bella Acapella sang a variety of songs and Peppa Pig entertained the visitors and children.

The day was very well supported, the weather was kind and the reindeer which is now a tradition was a popular attraction, for old and young alike.

Free presents were given to children by Santa during the afternoon followed by the Christmas lights being switched on by the Mayor at 5pm. The Rotary Tree of Light was lit following this in Castle Gardens. There was lots to see and do and the town was busy all day.

Senior Citizens Party 6th December 2018  
The annual Ludlow Residents Senior Citizens’ Party was held again at Ludlow College. The College catered for 100 senior citizens providing, a selection of sandwiches and cakes. Entertainment was provided by Jess Hope. As is tradition there was a free bingo and raffle with the prizes kindly donated by businesses and residents of Ludlow.

Local Code of Corporate Governance

1. INTRODUCTION

1.1 The Chartered Institute of Public Finance and Accountancy (CIPFA) and Society of Local Authority Chief Executives (SOLACE) have published a framework document for Corporate Governance in Local Government.

1.2 Ludlow Town Council is committed to the principles of good corporate governance and wishes to confirm its commitment and intentions through the development, adoption and maintenance of a Local Code of Corporate Governance, as recommended by the CIPFA/SOLACE Framework.

1.3 This document, Ludlow Town Council’s “Local Code of Corporate Governance”, therefore sets out and describes the Council’s commitment to corporate governance. It also identifies the arrangements that have or will be made to secure its effective implementation and application in all aspects of the Council’s work.

2. WHAT IS CORPORATE GOVERNANCE?

2.1 For the purpose of this Local Code, Ludlow Town Council accepts the definition of Corporate Governance as stated within the CIPFA/SOLACE Framework, as follows:

“Governance is about how local government bodies ensure that they are doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

It comprises the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities”.

2.2 Ludlow Town Council recognises that effective local government relies upon establishing and maintaining the confidence of the public in both the elected Members and Officers of the Council.

2.3 Ludlow Town Council recognises that the setting of high standards of self-governance provides a clear and demonstrable lead to both our existing and potential partners, and therefore provides the basis of effective community governance.

3. THE PRINCIPLES

3.1 Ludlow Town Council positively recognises and accepts the following six core principles of good governance, as identified within the CIPFA/SOLACE Framework:
• Focusing on the purpose of the authority and on outcomes for the community and creating and implementing a vision for the local area

• Members and Officers working together to achieve a common purpose with clearly defined functions and roles

• Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour

• Taking informed and transparent decisions which are subject to effective scrutiny and managing risk

• Developing the capacity and capability of members and officers to be effective

• Engaging with local people and other stakeholders to ensure robust public accountability

The six core principles each have a number of supporting principles, which in turn have a range of specific requirements that apply across the Council’s business.

Principle One - Focusing on the purpose of the authority and on outcomes for the community and creating and implementing a vision for the local area

The function of governance is to ensure that authorities, other local government organisations or connected partnerships fulfil their purpose and achieve their intended outcomes for citizens and service users and operate in an effective, efficient, economic and ethical manner. This concept should guide all governance activity.

The Council needs to develop and articulate a clear vision of its purpose and intended outcomes for citizens and service users that are clearly communicated, both within the organisation and to external stakeholders.

The principles supporting this core principle and the action the council propose to take in relation thereto are as follows:
