

GOLD FOR LUDLOW IN BLOOM 2010

Sweet smell of success for Ludlow. The final result was a closely guarded secret right up until the last minute, Jim Smithers & Colin Sheward had no idea if they were going to receive good news at the awards ceremony they attended in September.

Ludlow in Bloom works closely with the town council who plant up the beds and maintain grassed recreation areas in Ludlow. Success is no stranger to Ludlow in Bloom who also received Gold in 2009.
