

LUDLOW CHRISTMAS LIGHTS 2010

Members of grounds team in cherry picker putting up Christmas lights

Ludlow Town Council's Grounds Team are versatile and well-trained. They are able to turn their hand to many things – including eyelet testing and putting up Ludlow's Christmas Lights

The tree illuminated for the first time on Saturday 27th November

Ludlow Town Council's market is at the heart of Ludlow and at the centre of the Christmas celebrations.

Christmas Markets are being held on 2 December; 12th December; Late Night opening on 16th December and a Christmas Eve market

Christmas Lights working group Chair, Cllr Roma Jackson has worked hard with fellow councillors to light up more of Ludlow – including new energy efficient LED lights in Broad Street.

Ludlow Concert Band playing for carol singer before the Switch-On

Councillor John Aitken, the Mayor of Ludlow led the countdown to switch-on this year's Christmas lights.

In 2010, Ludlow Town Council has achieved its goal to light Ludlow with energy efficient coloured and white lights.

The Town Council's technical lighting advisors said, 'The new lights achieve a electricity consumption saving of approx. 85%'
