

LUDLOW MAYFAIR SERVICE - SUNDAY 2ND MAY 2010

Ludlow hosted its 15th Mayfair Service on Sunday held in the Dodgems at the Fair. The service was taken by Reverend Neil Crawford-Jones who made the event very special as he said,

“God is everywhere and can be worshipped anywhere including the Fair”. “Worship” he said was “not confined to a church”.

The Mayor of Ludlow Town Council Martin-Taylor Smith with the Mayoress Rosanna enjoyed sitting in the dodgem car during the service and the ride after the service! He did not stand for Mayor this year due to other pressing Unitary Council Commitments.

The new Mayor elect Councillor John Aitken seen above with Councillor Marie Glaze also joined in the fun (bottom left). Councillor Aitken was unanimously voted as Mayor at the Council meeting on 26th April and will become Mayor officially at the Mayor Making ceremony on 26th May 2010 when the outgoing Mayor will pass on the chain of office and receive his past Mayor's badge.

In total, 120 people attended the service and the fun of the fair was enjoyed by all. Shaun Ward the Musical Director for St Laurence Church Ludlow and his Choir had great fun bumping into each other as can be seen from the expressions on their faces.
