The tractor girls, pictured with Mayor and Mayoress of Ludlow Cllr John Aitken & Mrs Pam Aitken, came to Ludlow on Monday 5th July for a midday stop. They were already more than half way into their epic journey on vintage tractors from John O'Groats to Landsend.

Many thanks go to The Castle Buttery, Castle Square, Ludlow for providing lunch for the girls when they arrived, which was much appreciated.

The tractor girls have already raised £50,000 out of a target of £100,000 for cancer and motor neurone charities
