3. **MEETING PROTOCOL**

Members are reminded of the vital importance of mutual respect, professionalism, and full adherence to the Council's Code of Conduct, Standing Orders, and Meeting Protocol. Councillors and officers have distinct yet complementary roles and work collaboratively in the best interests of the community. Councillors are responsible for setting policy and representing the public, while officers provide impartial advice and are tasked with implementing Council decisions.

During meetings, Members must conduct themselves with decorum, follow the established rules of debate, and respect the authority of the Chair.

Disruptive behaviour, undue pressure on officers, or prioritising personal interests above Council objectives undermines good governance and is contrary to the standards of conduct expected in Council proceedings.

Maintaining integrity, accountability, and a respectful environment is essential to ensuring effective and transparent decision-making.
