# WELCOME FROM THE MAYOR

## Councillor Beverley Waite

It is my pleasure to welcome you to the Town Council's Annual Report, marking an exceptional year of progress, community spirit, and civic pride across Ludlow.

Our town continues to prosper thanks to the efforts of individuals, groups, and organisations who are passionate about making Ludlow a better place to live, work, and visit. We begin with the wonderful news of the Accreditation Award received by Ludlow Museum

at the Buttercross—a proud recognition of our shared heritage and the museum's dedication to excellence.

In our town centre, Ludlow Market has benefited from significant upgrades with the installation of new canopies and essential electrical works, improving both appearance and safety for traders and shoppers alike. Families can also now enjoy new play equipment at Housman Crescent Play Area, while the installation of a new bus shelter on Tollgate Road will improve daily journeys for residents.

Visitors and locals can now find their way around town more easily, thanks to the installation of new Ludlow orientation boards, which highlight our rich history and key landmarks.

Our community spirit shone brightly at the Ludlow Winter Festival in November 2024. This wonderful event was made possible through collaboration with many local groups and showcased the best of our

cultural and festive traditions. Equally inspiring is the work of the Henley Road Helpers, a grassroots initiative encouraging wildlife and bringing neighbours together through shared purpose.

Over the past year, I've had the honour of representing Ludlow at a wide range of civic events across the region—from commemorating D-Day and Armistice Day, to supporting local schools, businesses, charity markets, and community fairs. Highlights included the Mayor's Black Tie Charity Dinner, the Christmas Light Switch On, and the Ludlow Carnival, all of which brought joy and unity to our town.

Each event, each initiative, and each community member plays a part in shaping the Ludlow we love. I am proud to have served as your Mayor and deeply thankful for the warmth, dedication, and energy shown by so many throughout the past year.

## Welcome From the Town Clerk

Welcome to Ludlow Town Council's Annual Report for 2024/25. This publication reflects the work and progress made over the past year by the outgoing Council. Firstly, I would like to extend sincere thanks to the outgoing councillors for their dedication and service to the town. Their work has laid strong foundations for the new Council to build upon. Throughout their term, they demonstrated a commitment to improving life in Ludlow through collaborative, community-focused decision-making.

This year saw several significant milestones. Notably, the successful application for **bathing water designation for the River Teme** was a standout achievement. This important recognition, supported by extensive community advocacy and environmental monitoring, highlights our shared commitment to preserving Ludlow's natural environment and promoting safe access to its unique river setting. The Council also celebrated **accreditation for Ludlow Museum at the Buttercross**, recognising the high standards of care, interpretation, and community value the museum brings to the town. This is a reflection of the dedication of staff, volunteers, and partnering organisations who continue to preserve and promote Ludlow's rich heritage. In partnership with Hands Together Ludlow, we supported the **Shaping**

**Lives Project**, a community initiative focused on wellbeing, connection, and skills development. This project brings together people of all ages and backgrounds, demonstrating the Council's support for grassroots initiatives that make a real difference to people's lives.

As we welcome a new Town Council following the 2025 local elections, I extend my congratulations to all newly elected councillors. We look forward to working together, maintaining continuity where needed, and embracing innovation and new ideas where possible. The enthusiasm and dedication of incoming councillors will be vital in shaping the next chapter for Ludlow. I would also like to thank the Council's officers and staff for their tireless work behind the scenes. Their professionalism ensures the smooth running of services, from market management to open space maintenance and community engagement. As we look ahead, this report stands as both a record of what we've achieved, and a statement of intent for the future. Thank you for your continued interest in and support for Ludlow Town Council.

# VISION, AIMS & OBJECTIVES

## From Ludlow Town Council

Ludlow Town Council aims to improve the quality of life for the residents of Ludlow by:

- Engaging in an open dialogue with the residents of Ludlow to better understand their needs and, in turn, explain how we will address those needs within the resources and powers of the Council.
- Helping to create a socially inclusive and caring community which embraces all its residents, irrespective of age, gender, sexual orientation, culture, income, race or religion and which seeks to develop their wellbeing, knowledge, understanding and mutual co-operation.
- Providing a democratic, representational voice for the Ludlow community.
- Preserving and enhancing the traditions, character, heritage and unique identity of the town.
- Promoting Ludlow as a clean, safe, welcoming and prosperous town for all.
- Providing high standard and cost effective services.
- Becoming a better employer through continued valuing and development of employees, thereby encouraging personal responsibility and stimulating innovation, all for the betterment of the town.
- Working in partnership with others to achieve more for Ludlow.

The Town Council's Vision for Ludlow is a successful and vibrant town, where people want to live, work, and visit.

## Completed Projects 2024/25

### Shaping Lives Project with Hands Together Ludlow and Shropshire Council

The Town Council is working with Hands Together Ludlow, Ludlow Food Bank, and Ludlow Foyer on a project funded by Shropshire Council to help counter food insecurity by building practical skills, and providing support for people experiencing food insecurity. The project is focused around providing recipe cards, workshops, and videos to inspire the best use of food parcels, surplus food, healthy meals for one, recipes for Type 2 diabetes and food allergies.

### Ludlow Museum at the Buttercross

Arts Council England (ACE) has awarded Accreditation to Ludlow Museum at the Buttercross for a further five years from 2025. The Arts Council UK Museum Accreditation Scheme recognizes excellence in governance, collections, and access, ensuring that accredited museums are well-run, resilient, and meet defined standards. We are very proud to work with Shropshire Council Museum Service to achieve this award.

### Ludlow Bathing Water Designation and Pontoon Ladder

A section of the River Teme from the Linney Jetty to the Millenium Green has been given bathing water status in May 2024. The designation means that the river is regularly monitored by the Environment Agency, including weekly testing of the water quality, and Ludlow Town Council has installed signage at the Linney Riverside Park to inform the public. The Environment Agency also prepares a bathing water profile, which is available on their Swimfo website. In support of river activities, Ludlow Town Council has installed a new access ladder onto the boating pontoon.

### Ludlow Market

New blue and white canopies have been made for Ludlow market. The canopies are practical and well enhancing the look of the market. Market traders often require electricity to enable them to trade and the council has commissioned electrical works across the market to maintain safety.

### Housman Play Area

When the play area required refurbishment, the Council undertook a survey to give local families a say in choosing the new equipment. The play equipment has been installed in time for the summer season.

### Tollgate Road Bus Shelter

The Council undertook to install one new bus shelter each year. In 2024/ 25, the first-choice site proved problematic and an alternative site at Tollgate Road was chosen. A consultation with residents and Shropshire Council has enabled agreement on the location, and installation is due to take place at the end of May 2025.

### Work Experience Students

Ludlow Town Council staff really enjoy helping young people to get insight into the opportunities and demands of workplace. There are plenty of opportunities for young people to find out about what happens on all our different sites, how a diverse team works together, and how we manage our social media.

### Ludlow Orientation Boards

Four new orientation boards have been installed at Smithfield car park, Galdeford car park, Castle Street car park and by the bus stop outside Ludlow Assembly Rooms. The signs will help visitors to find their way around the town and provide information about key sites.

### Ludlow Winter Festival

Working in collaboration with many other local community organisations to deliver a successful Ludlow Winter Festival in November 2024, and plans are being made for 2025.

### Ludlow Future Partnership

The Ludlow Future Partnership is a collaborative effort, encompassing various groups and organisations including Shropshire Council and Ludlow Town Council, working to shape the future of Ludlow, Shropshire. It aims to promote sustainability, economic growth, and community engagement.

### Henley Road Helpers

Ludlow Town Council launched a new community initiative ‘Henley Road Helpers’ in 2024. The project aims to foster community relationships whilst improving the grounds of Henley Road Cemetery.

## Volunteers Needed!

### BECOME A HENLEY RD. HELPER

**Help preserve Ludlow's natural heritage.**

The Henley Road Helpers initiative aims to enhance community engagement and encourage wildlife.

We're looking for enthusiastic individuals willing to contribute their time to light duties such as weeding, clearing areas, and maintaining flower beds.

Your help will ensure the cemetery remains a peaceful and well-kept space for all visitors.

# FINANCIAL SUMMARY

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. To comply, the town council completes the Annual Governance Statement to confirm proper:

- Financial management and preparation of accounting statements.
- Internal Control
- Compliance with laws, regulations and proper practices
- Exercise of public rights
- Risk Management
- Internal Audit

The Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015 require all authorities to prepare a statement of accounts for each financial year in accordance with proper practices. To comply, the town council completes a Statement of Accounts.

The Joint Panel on Accountability and Governance (JPAG) is responsible for issuing proper practices in relation to the governance and accounts of smaller authorities.

## Transparency

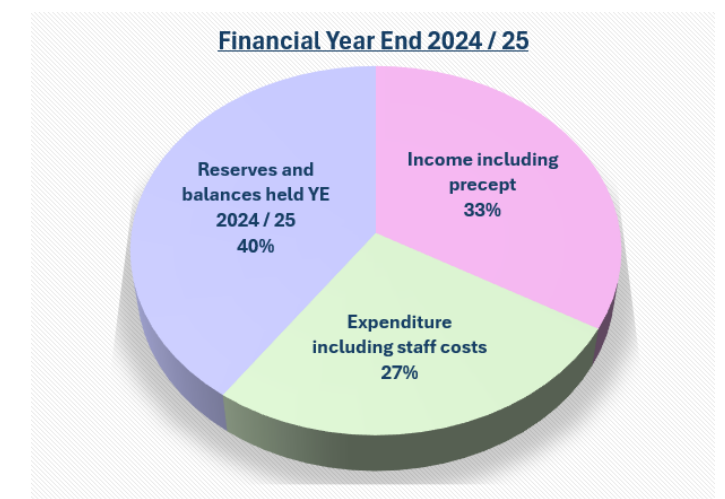

The internal audit takes place in May, and the unaudited Annual Governance and Accounting Return (AGAR) is:

- Approved by Council in June
- Sent to the External auditor PKF Littlejohn
- Published on the council website in July
- The externally audited Annual Return is published on the town council's website at the end of September

During the year, the council also publishes expenditure over £100 on its website:

# LOCAL SERVICES

## Ludlow Market

Ludlow Market, offering a great range of foods, gifts, clothing and household items, is well supported by locals and visitors throughout the year, whatever the weather.

The regular markets on Mondays, Wednesdays, Fridays and Saturdays throughout the year are supported by specialist markets Thursday & Sunday from March to December. These markets sell plants and garden items, books, crafts, gifts, local produce and antiques.

## Street Trading

Street Trading pitches regularly increase the vibrancy of Castle Square and the High Street Pitch next to the Buttercross, adds to the town's outdoor café culture with tables and chairs from an adjacent café.

Ludlow Town Council is proud to support Ludlow's vibrancy by issuing permits for cultural and community events, and street entertainment such as Morris Dancing, vintage cars, and musicians.

## Ludlow Museum

Ludlow Museum at the Buttercross, is located in the heart of Ludlow and the historic building is owned by Ludlow Town Council. Shropshire council's collection is a cultural treasure trove of the town's rich history and heritage. The Buttercross provides an engaging space for visitors of all ages to explore and learn. Ludlow Museum welcomed 4770 visitors, who supported the sustainability of the museum with entry fees totalling £6,395 and additional donations and merchandise sales of £1,361.

The town council is supported by Friends of Ludlow Museum by subsidising free child entry. Helping young people engage with history is important to the Council. Contactless Card payments were introduced in 2024.

# CLIMATE ACTION PLAN

## Our Commitment to Climate Action

Ludlow Town Council recognises that climate change and biodiversity loss are urgent and interconnected challenges. As a council, we are committed to taking practical, measurable steps to reduce our environmental impact and support local resilience.

Over the past year, we have continued to embed climate responsibility into our operations, projects, and community engagement. This is part of our wider aim to ensure that council decisions today contribute to a more sustainable Ludlow tomorrow.

## **Key Actions:**

- **Improving energy efficiency:** We are committed to upgrading lighting to LED systems in council-managed buildings, and services including Christmas lights, which are fully LED reducing both energy use and long-term costs.
- **Supporting sustainable transport:** We have two electric vehicles for day-to-day council activities. We continued to maintain and install new bus shelters in the town to support use of public transport and support active travel initiatives.
- **Biodiversity and green space protection:** We have an ongoing commitment to No Mow May, and partnered with community volunteers to plant native wildflowers on Sidney Road Green, supporting pollinators and improving local air quality.
- **Reducing waste:** Recycling facilities at public events were expanded, and we introduced better waste separation in our own operations.

- **Community engagement:** We promote use of the Refill app and have water bottle refill stations located at council properties,. We creatively engage with children and families to encourage reuse through initiatives such as Teddy Bear Adoption, bug trails, and No Mow May colouring activities. Henley Road Helpers is a volunteer opportunity to help improve the environment and ecology at Henley Road Cemetery.
- **Carbon-conscious procurement:** We introduced climate criteria into some purchasing decisions, seeking local, sustainable suppliers wherever possible.

We continue to work towards embedding sustainability across all aspects of our work—from planning and procurement to events and public engagement. Our decisions are increasingly informed by environmental considerations, and we actively seek opportunities to reduce emissions, minimise waste, and protect Ludlow’s natural heritage.

## **Looking Ahead**

In the coming year, we will monitor and review our Climate Action Plan to identify further areas for carbon reduction, and support green initiatives in the town.

Ludlow Town Council remains committed to being part of the solution—taking leadership at a local level and supporting our community to live more sustainably, now and for future generations.
