

Local Councils in England

Annual return for the year ended 31 March 2007

Local councils in England (Parish Meetings, Parish and Town Councils) and Joint Committees thereof must complete an annual return summarising their annual activities at the completion of each financial year. Members are responsible for ensuring that financial management is adequate and effective and that the council has a sound system of internal controls.

The annual return on the following pages is made up of five sections. Sections 1 and 2 are to be completed by the person nominated by the council and section 4 by the council's internal audit provider. Section 5 contains guidance on completion. Section 3 will be completed by the external auditor.

Please complete all relevant sections, which are highlighted in green for your convenience. Do not leave any green box blank. Incomplete or incorrect returns may require additional external audit work incurring additional costs charged in accordance with the Commission's approved skill related fee scale.

When sections 1 and 2 have been approved by the council and section 4 is complete, please send the annual return, together with any additional information requested, to your appointed external auditor who will add the certificate and opinion in section 3.

Unless requested, please do not send any original financial records to the external auditor. If required, your auditor will identify and ask for any documents needed for audit.

Guidance notes and instructions for completion are included at relevant points in the annual return. In the event that further guidance may be required, councils should refer to the NALC/SLCC practitioners' guide (*Governance and Accountability in Local Councils in England and Wales*) or contact NALC through County Associations or SLCC through the helplines set up for this purpose. It should not be necessary for councils to contact the external auditor or the Audit Commission directly for guidance.

****Note:** If the response is 'not covered' please state when the most recent internal audit work was done in this area and when it is next planned, or, if coverage is not required, internal audit must explain why not (add separate sheets if needed).

Section 5 – Guidance notes on completing the 2007 annual return

- 1 Please make sure that your annual return is complete (i.e. no empty green boxes), properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are approved by the council, properly initialled and an explanation for them is provided to the auditor. Annual returns containing unapproved and/or unexplained amendments will be returned unaudited.
- 2 Use the checklist provided on page 1. Use a second pair of eyes, perhaps internal audit or the Chair just before he or she signs it, to review your annual return for completeness before sending it off to the auditor.
- 3 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers **all** your bank accounts. If your council holds any investments, please note their value on the bank reconciliation. The auditor should be able to agree your bank reconciliation to Box 8 on the Statement of Accounts. **You must provide an explanation for any difference between Box 7 and Box 8.** More help on bank reconciliations is available in the *Practitioners' Guide**.
- 4 Please **explain fully** significant variances in the statement of accounts. Do not just send in a copy of your detailed accounts instead of this explanation. The auditor wants to know that **you** understand the reasons for the change. Please include a relevant analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide** to assist you.
- 5 Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful. If the auditor has to review unsolicited information, this will take additional time and may incur additional cost for which the auditor is entitled to charge.
- 6 Please make sure that your statement of accounts adds up! Also please ensure that the balance carried forward from the previous year (Box 7 of 2006) equals the balance brought forward in the current year (Box 1 of 2007).
- 7 **Do not complete section 3.** This section is reserved for the external auditor who will complete it at the conclusion of their audit.
- 8 Use the *Practitioners' Guide** for guidance. This publication is regularly updated and contains everything you should need to prepare successfully for your financial year-end and the subsequent statutory audit. Both NALC and SLCC have helplines open should you wish to talk through any problem you may encounter.
- 9 **Please note that additional disclosures are required from 2007 in sections 1 and 2 of this annual return for councils which are appointed as sole managing trustee of a local trust or trusts.**
- 10 **Please also note that the Accounts and Audit Regulations 2003 (as amended in 2006) require all bodies to carry out and report on an annual review of the effectiveness of internal audit. Guidance on how this requirement may be met is enclosed and will be incorporated into future editions of the *Practitioners' Guide**.**
- 11 **The statement of assurance has been renamed as the annual governance statement to bring it in line with best practice.**

***Note:** *Governance and Accountability for Local Councils in England and Wales – A Practitioners' Guide 2003 edition*, is available from your local NALC and SLCC representatives.
