SPRING ISSUE 2026

WELCOME FROM THE MAYOR OF LUDLOW

Welcome to the Spring Edition of the Buttercross Bulletin.

As we step into a new season, I want to say it's a privilege to serve the Town of Ludlow, and I've thoroughly enjoyed being part of so many community events over the past months, especially those supporting my Mayor's Charity, Working Together Ludlow. Thank you to all who have shown support — your kindness makes a real difference.

Looking after Ludlow's future

LOOKING BACK AT 2025: A Year of Progress

Ludlow Town Council's achievements in 2025 reflect a shared commitment to safety, community support, and continual improvement. Each project has been shaped by collaboration, care, and the belief that small changes can make a meaningful difference to daily life in our town.

A Refreshed Mill Street Bus Shelter

The Mill Street bus shelter has been fully refurbished, offering a cleaner, safer, and more welcoming space for passengers. It's a small but important improvement for those who rely on public transport.

Strengthening Food Resilience

In partnership with Hands Together Ludlow and Shropshire Council, we've supported a food resilience project designed to help local people access nutritious food and build long-term community support networks.

Supporting Ludlow Market

Our market traders are at the heart of Ludlow's identity. We invested in infrastructure improvements and a new website to support Traders and enhance the visitor experience.

Clearer Sound and Comfort at Council Meetings

A new audio system has been installed in the Guildhall, improving sound quality and ensuring that Council meetings are more accessible and easier for everyone to follow. A new heating system has also been introduced, enhancing comfort for all who use the building.

Caring for Our Green Space

Volunteers have played a vital role in improving the ecology and environment at Henley Road Cemetery and St John's Gardens. Their dedication has helped protect wildlife, enhance biodiversity, and maintain these peaceful community spaces.

A Community Poppy Waterfall

One of the year's most moving achievements was the creation of the poppy waterfall — a collaborative project involving local children and community groups. This beautiful installation stood as a symbol of respect and remembrance, and a testament to what we can achieve when we work together.

A NOTE FROM THE TOWN CLERK

Gina Wilding

As the first signs of spring appear—the delicate yet resilient crocus and snowdrops—we're reminded how much brighter things feel when we move forward. These small moments lift our spirits and inspire hope for what lies ahead. Alongside you, we're shaping our local services, activities, and events for 2026, preparing thoughtfully for both opportunities and challenges. Your voice matters—please share your views in our *Shaping Our Future Together* survey and help guide what comes next.

A NOTE FROM THE MARKET OFFICER

Tony Caton

Spring is a brilliant time to rediscover Ludlow Market. Our traders bring fresh energy, new produce and plenty of friendly chatter as the town comes alive again. If you've ever wondered what it's like on the other side of a stall, why not give it a try this season?

LOOKING AFTER LUDLOW'S FUTURE: Latest Updates

Shaping Our Future Together: Have Your Say

This is an important moment for Ludlow Town Council as we look ahead to 2026. Our new positioning message, *Looking after Ludlow's Future*, reflects our commitment to thoughtful stewardship — and that begins with listening. This spring, we're inviting everyone to take part in the *Shaping Our Future Together* survey, included in the March edition of *Local Ludlow*. The survey asks for your views on local services and your thoughts on any additional services the Council may be asked to support in the future. From Ludlow's market and green spaces to community and civic events, you can help us understand what matters most. Every response strengthens our ability to plan responsibly and creatively, so it's important we hear from as many residents as possible. Please complete the survey before 31st March and help ensure Ludlow remains cared for, connected, and ready for the future.

Consultation on Youth Festival

The Town Council are inviting residents, young people, and community groups to share views on a proposed Summer Youth Festival at Wheeler Road recreational area. Your feedback help identify the activities and themes that matter most, shaping plans for an inclusive event celebrating local talent and supporting youth wellbeing. Please feedback by 26th March- responses will go to the Services Committee, then to Planning, where it will help guide how this new festival will develop for the community.

Ludlow Market Launches New Website

Ludlow Market is proud to launch its brand-new website, bringing the heart of the market even closer to residents and visitors.

The refreshed design makes it easier than ever to explore our traders, discover upcoming markets, and plan your visit. With clearer navigation, and vibrant imagery, the site celebrates everything that makes Ludlow Market special — a fresh digital home for a much-loved local institution.

A new self-serve booking system also means traders can now secure their place at our Specialist Markets more easily, offering a quicker and more convenient way to get involved- visit ludlowmarket.co.uk

Green Shoots - Spring and Beyond

As spring approaches, Ludlow's green spaces are already benefiting from community care. New hedgerow planting at Weyman Road will bring fresh life to the green and create valuable wildlife habitats. Following recent consultation, a new community orchard will also be established there later this year. With *No Mow May* later in Spring, some areas may look a little *wilder*, but this pause in mowing gives pollinators a vital boost. Volunteer-supported projects are gearing up for a busy season too. The Henley Road Helpers will soon resume their work at the cemetery, and the Pride of Place litter pickers continue their monthly efforts to keep our streets clean. It's a great moment to celebrate the volunteers whose efforts help Ludlow's natural spaces flourish. Thank you volunteers!
