**R/177**     **FLOODING**

To approve the following motion:

The Town Council were disappointed to discover that cars were still using Lower Corve Street as a through road during the recent flooding. The cars were displacing water from the road and increasing the risk of flooding for the adjacent properties. This is unacceptable. Ludlow Town Council appreciates that Shropshire Council has a restrictive access traffic order in place and asks that this is enforced by the police to prevent future occurrences.

**RESOLVED GG/TG (unanimous)**

To write to Shropshire Council
