# Key Agenda Items:

- PLANNING APPLICATIONS
- TRAFFIC MANAGEMENT & ROAD CLOSURES

Public Open Session (15 minutes in total) – Members of the public are invited to make representations to the Committee on any matters relating to the work of the Committee. The maximum time allotted per person is three minutes.

### 1. WELCOME

To receive a welcome from Chairman of the Committee Councillor Glenn Ginger.

Welcome to the Representational Committee virtual meeting.

There are a few housekeeping things to note.

This is a formal Town Council meeting. We have now entered the pre-election period and during the period between the notice of an election and the election itself, local authorities should not publish any publicity on controversial issues or report views or proposals in such a way that identifies them with any individual members or groups of members.

As with meetings in the Guildhall, members of the public will be given the opportunity to speak during public participation, but will not be permitted, unless invited to do so by the Chairman, to speak at other times.

The Clerk has the ability to mute or remove anyone who does cause a nuisance, but of course, we hope that this won't be necessary.

It is impossible to hear if everyone speaks at once. So that we have some order, I'd be grateful if you could speak one at a time and use the 'reactions' button at the bottom of the Zoom screen and raise your virtual hand if you'd like to speak.

Please note that we will not be using the 'chat' function. In order to avoid your technology being compromised, please do not use Chat and do not respond to any messages made via Chat

As there is no formal table, I will introduce the Councillors present and ask that they say hello or wave as I do so.'

## 2. RECORDING OF MEETINGS

Under the Openness of Local Government Regulations 2014, recording and broadcast including blogging, tweeting and other social media is permitted during public session of Council meetings.

The act of recording and broadcasting must not interfere with the meeting.

The Council understands that some members of the public may not wish to be recorded and asks that they turn off their camera and access the meeting via audio only.

#### 3. APOLOGIES

To receive apologies from committee members.

#### 4. DECLARATIONS OF INTERESTS

To receive members' declarations of interests for:

- a) Disclosable Pecuniary Interest
- b) Declaration of conflicts of Interest
- c) Declarations of personal interest

Members are reminded that they must not participate in the discussion or voting on any matter in which they have a Disclosable Pecuniary Interest and should leave the room prior to the commencement of the debate.
