

# Ludlow Christmas Lights Switch-On 2012

Last Saturday afternoon, Santa arrived in Ludlow on a special elf powered tinselled trike and gave away free presents from his grotto on Castle Square. Children and adults were also delighted to see JR Show Team's gorgeous miniature horses from near Shrewsbury – find out more at [www.miniaturehorsesables.co.uk](http://www.miniaturehorsesables.co.uk).

Fusion Dance braved the weather to give exciting and energetic performances and singer song writer Dia Robs entertained with festive songs and chart hits. Ludlow Town Council organises this free event every year and the festivities culminate with the Christmas Lights Switch-On by the mayor Of Ludlow, Cllr Tony Pound, who also opened a charity car park to raise funds for WRVS – his charity for the year.

Well over £1,000 was raised over the weekend, so thanks to everyone who came along and joined in the fun!
